

List of 60 Awarded Research Chairs

| No. | University | Name of Research Chair |
|-----|---|--|
| 1 | Cape Peninsula University of Technology | Teacher Education |
| 2 | Cape Peninsula University of Technology | Innovative Small Satellite Technology and Applications for Africa |
| 3 | Central University of Technology | Medical Product Development Through Additive Manufacturing |
| 4 | Durban University of Technology | Development and optimization of wastewater treatment technology for developing economics |
| 5 | Nelson Mandela Metropolitan University | Law of the Sea and Development in Africa |
| 6 | Nelson Mandela Metropolitan University | Shallow Water Ecosystems |
| 7 | Nelson Mandela Metropolitan University | Microfluidic bio/chemical processing |
| 8 | Nelson Mandela Metropolitan University | Earth Systems science |
| 9 | North-West University | Early detection and prevention of cardiovascular disease in Africa |
| 10 | North-West University | Coal Research |
| 11 | Rhodes University | Marine Natural Products Research |
| 12 | Rhodes University | Insects in Sustainable Agricultural Ecosystems |
| 13 | Rhodes University | Intellectualisation of African Languages, Multilingualism and Education |
| 14 | Rhodes University | Interdisciplinary Science in Land and Natural Resource Use for Sustainable Livelihoods |
| 15 | Rhodes University | Critical Studies in Sexualities and Reproduction: Human Social Dynamics |
| 16 | Stellenbosch University | Mycobactomics |
| 17 | Stellenbosch University | Biomarkers for Tuberculosis |
| 18 | Stellenbosch University | Animal Tuberculosis |
| 19 | Stellenbosch University | Meat Science: Genomics to Nutrinomics |
| 20 | Stellenbosch University | Mathematical and Theoretical Physical Biosciences |
| 21 | Stellenbosch University | Integrated Wine Sciences |
| 22 | Tshwane University of Technology | Energy Production and Consumption for Sustainable Global Survival |
| 23 | Tshwane University of Technology | Phytomedicine |
| 24 | Tshwane University of Technology | Technology, Sustainable Enterprises and Markets Development |
| 25 | Tshwane University of Technology | Enabled Environments for Assisted Living |
| 26 | Tshwane University of Technology | Water Quality and Wastewater Management |
| 27 | Tshwane University of Technology | Acid Mine Drainage Treatment |
| 28 | University of Cape Town | Stable Isotopes in Archaeology and Palaeoenvironmental Studies |
| 29 | University of Cape Town | Environmental and Social Dimensions of the Bio-Economy |
| 30 | University of Cape Town | Reaction Engineering |
| 31 | University of Cape Town | Industrial Computational Fluid Dynamics |
| 32 | University of Fort Hare | Past and Present Primate Diversity |
| 33 | University of Johannesburg | Indigenous Plant Use |
| 34 | University of Johannesburg | Education and Care in Childhood |
| 35 | University of Johannesburg | African Diplomacy and Foreign Policy |
| 36 | University of Johannesburg | International Law |
| 37 | University of KwaZulu-Natal | Land Use Planning and Management |
| 38 | University of KwaZulu-Natal | Rural Agronomy and Development |
| 39 | University of KwaZulu-Natal | Intelligent Real-Time Power Systems |

| | | |
|----|---------------------------------|--|
| 40 | University of Limpopo | Sustainable Rural Development |
| 41 | University of Pretoria | Sustainable Malaria Control |
| 42 | University of Pretoria | Tax Policy and Governance |
| 43 | University of Pretoria | Mathematical Models and Methods in Bioengineering and Biosciences |
| 44 | University of Pretoria | Advanced Sensor Networks |
| 45 | University of South Africa | Social Policy and the Family |
| 46 | University of the Free State | Disease Resistance in Field Crops |
| 47 | University of the Free State | Higher Education and Human Development |
| 48 | University of the Free State | Solid State Luminescent and Advanced Materials |
| 49 | University of the Western Cape | Microbial Genomics |
| 50 | University of the Western Cape | Health systems, complexity and social change |
| 51 | University of the Western Cape | Cosmology with multiwavelength data: exploiting SALT and Meerkat |
| 52 | University of the Western Cape | Multi-level Government, Law and Development |
| 53 | University of the Western Cape | NanoElectrochemistry and Sensor Technology |
| 54 | University of the Western Cape | Earth Observation Applications for Water Resources Assessment and Management |
| 55 | University of the Western Cape | Nuclear Science |
| 56 | University of the Witwatersrand | Bioinformatics of African Populations |
| 57 | University of the Witwatersrand | Health Policy and Systems |
| 58 | University of the Witwatersrand | HIV Vaccine Translational Research |
| 59 | University of Venda | Biodiversity Value and Change in the Vhembe Biosphere Reserve |
| 60 | University of Venda | Communal land and rural entrepreneurship |
